

Dear Friend,

Every generation has the honor of celebrating America — but only one will celebrate its 250th birthday. On July 4, 2026, our nation will commemorate the signing of the Declaration of Independence, and our community will join together to mark this extraordinary milestone in a meaningful and memorable way.

The Exchange Clubs of Fort Bend and Sugar Land invite you to become a sponsor of this historic celebration. Fort Bend County — recognized as the most ethnically diverse county in America — is a shining example of the unity, strength, and shared spirit that define our nation. As we celebrate 250 years of independence, freedom, and diversity, we hope you will stand with us.

This July 4th community event will bring families, veterans, neighbors, and leaders together for an interactive day of remembrance, gratitude, and pride. It will honor our past while inspiring the future we are building for the next generation.

Your sponsorship will help us create a free, unforgettable celebration that reflects the very best of who we are — a community that remembers where we came from and invests in where we are going.

We hope you will join us in making this once-in-a-lifetime event a true tribute to America.

For more information contact Doug Earle at [dougesltx@gmail.com](mailto:dougesltx@gmail.com).

With appreciation,

The Exchange Club of Fort Bend

The Exchange Club of Sugar Land
